Coursework Completion in 2022

You will be aware that prior to the Christmas break, the SEC published important information (Circular S85/21) which is available [here](#) in relation to exceptional arrangements for the completion and authentication of Coursework for Leaving Certificate and Junior Cycle candidates in 2022 owing to COVID 19. The purpose of the circular is to assist and support schools and candidates in relation to the completion of coursework by providing as much flexibility as possible for students and schools, while maintaining the integrity and fairness of the assessment process. The circular sets out flexibility in the arrangements for completion and authentication of coursework owing to COVID-19 related absences of either individual candidates or of the class teacher impacting on full class groups.
