

Agreed Report from the BOM meeting 19/12/2019

- The Substance abuse policy was ratified by the BOM.
- Capital works projects will be carried out in the summer of 2020. Priority projects have been identified by the SMT and approved by the BoM.
- Current enrolment is 219. Work is underway to enrol 1st year students for September 2020 and to build on the excellent attendance at the open weekend in October.
- A new fundraising drive was launched with an event in the RDS on November 26th. The Green Campus 2025 initiative was emphasised at this event.
- The BoM received a comprehensive report from the Principal on all college activities.
- The BoM has prioritised the development of a Digital Learning Plan as an important initiative in the area of teaching and learning.
- The Principal presented the Child Protection Oversight Report.
